VERIZON WIRELESS' MOTION TO STAY

Defendant Cellco Partnership, d/b/a Verizon Wireless ("Verizon Wireless"), by counsel, moves to stay this action pending the conclusion of all proceedings, including appeals, arising out of the United States Patent and Trademark Office's reexamination of the patents asserted against Verizon Wireless by Plaintiff NTP, Inc. ("NTP"). Senior PTO examiners have issued a series of final office actions rejecting all of the claims of each of the patents that NTP seeks to assert against Verizon Wireless in this case, and, citing the ongoing reexamination process of NTP's patents (including most of those at issue in this case), the Court has previously stayed patent claims brought by NTP against a different accused infringer. The bases for the relief requested by Verizon Wireless are set forth more fully in the accompanying memorandum and exhibits.

Dated: September 14, 2007

Respectfully submitted,

CELLCO PARTNERSHIP d/b/a VERIZON WIRELESS
